Dear Colleagues,

In case you have not seen it, attached is the Governance Council training rule change proposal written by CSD Director Poulos. Among the many changes is an increase in annual required training hours from 5 to 10.

Please note that ***the public hearing on this topic is scheduled for May 25 at Mabry Hall in Santa Fe***. The exact time should be posted by April 25<sup>th</sup>.

We recommend that you forward this information to your GC members. This is the only opportunity they will have to voice their support or opposition to these changes which, if approved, will go into effect July 1.
